

## My Career Navigator Online Resources

AJO's My Career Navigator (MCN) provides you with important tools and resources to successfully manage your career transition and it's available to you throughout your program and beyond.

### MCN HIGHLIGHTS

- **Program Roadmap:** Organized into eight program steps, access advice and guidance, examples, handouts and templates covering all aspects of career transition, delivered through audio, video and written content. Download handouts, worksheets, examples, and templates
- **Job Leads & Job Opportunity Tracker:** Search job leads from Indeed.com via MCN.
  - Create and save your job search queries
  - Apply to open positions using Resume Manager and a correspondence wizard and templates
  - Track progress of opportunities with follow ups and task lists, including jobs found externally
- **Resume Manager:** Create or upload and manage multiple versions of your resume. Apply to open positions using your stored resumes in MCN. Save resume used to apply for each job opportunity.
- **D&B Company & Industry Research:** Search this premier database of 120 million business records to identify prospective employers, and to research companies and industries.
- **AJO Essential Links:** Browse our guide to the best websites for all aspects of career transition, curated by AJO's Career Coaches.

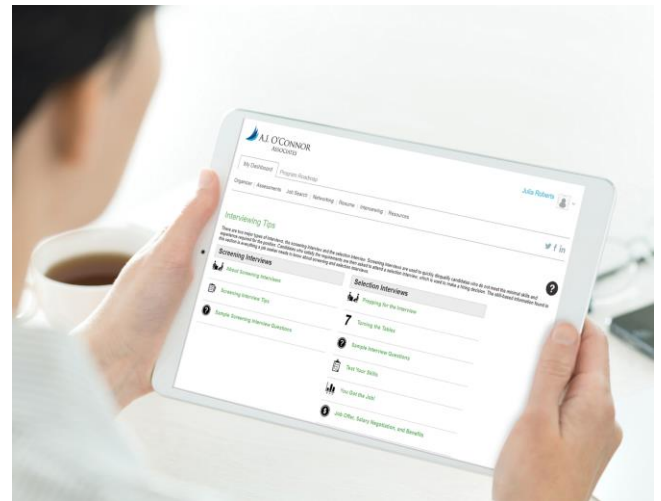

- **Calendar of Learning & Networking Events:** Sign up to participate in webinars and seminars, and to track AJO and personal events planned and attended.

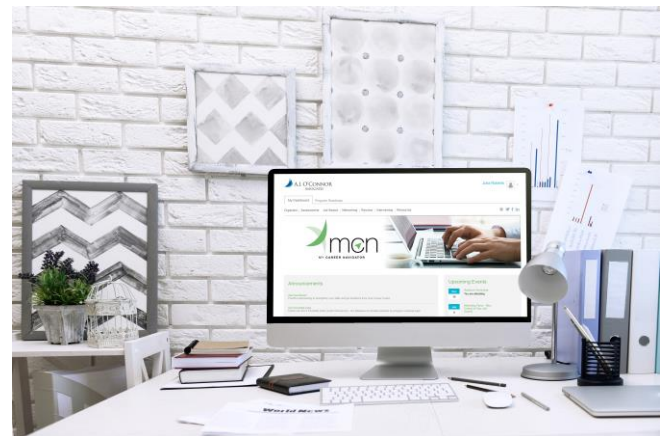

- **Assessments:** Set your direction with the help of seven self-assessment tools.

- Measure and better understand your **interests, values, working style** and **personality**. Explore occupations that are a match for your skills.
- Complete **LinkedIn** and **Online Presence** assessments to get feedback on your online visibility to recruiters and hiring managers, as well as tips and ideas to clean up, protect, and strengthen your online presence.

- **Interview Stream:** Select from thousands of questions, organized under question type. Practice answering interview questions using your computer and web cam, or Interview Stream mobile app. Share your responses with your Career Coach and others for feedback.

- **Mobile App:** Download the MCN mobile app to access your jobs, connections, events, messages, and resources anywhere.

- **Your Career Coach:** View your Career Coach contact information and bio. Send messages to your Career Coach through MCN.
